

## SUPPORTING LOCAL HEALTHCARE

Proceeds from the golf outing are just one of the many ways Mile Bluff Medical Center Foundation strives to impact the health of the community by supporting the medical center. By golfing with us, you are assisting Mile Bluff in bringing the latest technology, advanced services and best care possible to our patients.

Proceeds from our 2023 golf outing and other donor contributions allowed the foundation to provide:

- \$29,948 for equipment
- \$34,500 of personal care items for local school districts
- \$45,000 in support of Telepsych services in Mile Bluff's Emergency Department
- \$25,600 in scholarships and tuition reimbursement

With your support, the foundation will continue to provide:

- Support for high-quality care for patients
- State-of-the-art equipment and technology
- Scholarships, education and training for current and future healthcare workers
- Community classes and programming
